

7 Easy Ways to Help Habitat

Dear Friends of Habitat:

We make it easy for you to support Habitat as you shop or are looking to donate household items. The cost of housing is continuing to rise in our area, making the need for affordable homes greater than ever. Every year, we select hard working families ready to begin building their homes. You want to help. There are lots of ways you can build homes with your local Habitat for Humanity that don't require you to write a check, although cash donations are always needed and appreciated.

Here are some great ways you can help just by going about your day to day activities:

1. **Attend our Street of Dreams Event:** Join us in early October each year for an evening of delightful food, and great auction items all to benefit our 16 home Heritage Oaks Project. Visit www.nchabitat.org click on events to learn more. Keep checking our website for information about events throughout the year.
2. **Amazon Smile – You Shop. Amazon Gives.** Amazon Smile is the same Amazon you know and shop at. Simply go to Smile.Amazon.Com and choose your charity at: Nevada County Habitat for Humanity. A percentage of all your purchases when shopping through Amazon's Smile page comes back to Habitat.
3. **Shop at SPD Markets:** Get a Community Card at both SPD Markets and designate your community giving choice to be Nevada County Habitat for Humanity. 3% of all your purchases will be donated back to Habitat.
4. **Donate your vehicle:** A vehicle donation through Cars for Homes generates substantial donations to build affordable homes. Call 877-277-4344 or visit www.carsforhomes.org
5. **Shop at Savemart:** Call us or email and we will send you a SHARES card. Just swipe the card at the cash register and 3% of your total bill will come to Habitat.
6. **Shop or Donate at the ReStore:** Shop at our Habitat ReStore or donate items. Our Restore is located at 12359 Loma Rica Drive and is open Tuesday thru Saturday 9am-6pm. Contact the ReStore directly for questions about donating: 530-274-3761
