

Buy A Brick Campaign

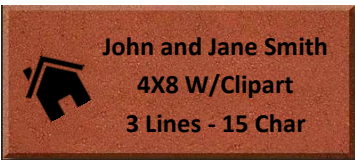

A fundraiser to build homes and commemorate a special person or persons, or business.

Habitat for Humanity is building an outdoor patio for the Heritage Oaks 16 home neighborhood as designed on the front of this card. Habitat families and friends will always remember how you helped their dreams come true as they gather and play in this shared picnic area. A permanent brick is a perfect way to honor someone you care about, highlight your business, and is also a great gift for the person who has everything!!
