Attendees consistently represent working and retired professionals in finance, real estate, construction, banking, arts, and the public sector. This is a unique opportunity to get your product or service in front of local business professionals, community leaders, and prospective customers in Nevada County.

Your contribution will be used for:

Your tax-deductible donation of an item, service, gift basket, or gift card to the event auction will help us successfully raise funds to build Habitat homes for low-income families in Nevada County. To date, we have completed 42 homes and served 59 adults and 117 children through affordable homeownership.

Promotion Opportunity:

We would like to make 2023 extra special by featuring your company! In exchange for your support, we would like to offer you the following opportunities:

- Nevada Habitat for Humanity will recognize your business's tax-deductible gift both in online auction promotions, including social media platforms and at our event. Your business will also be added to our Business Directory at www.nchabitat.org for one year!

Deadline:

Please send donations by September 1, 2023, to increase promotional opportunities for the auction item and your business.

We have come a long way since 1996, but we would still greatly benefit from your support. Your generous contribution will help us successfully extend our mission and help us reach our goal of surpassing last year's totals to build more homes for local families in Nevada County. Thank you for your consideration! We look forward to hearing from you.
