Nevada County Habitat for Humanity®

Together, we build a better future.

Nevada County Professional Maintenance Resources

Like all homeowners, you may find that some home maintenance and repair projects require professional assistance. The following list includes local contractors and service providers that you may find helpful.

Please Note: This list is provided for general informational purposes only. It is not intended to be a complete listing, nor does it constitute an endorsement or recommendation of any individual or company. We encourage homeowners to ask friends and family for recommendations and read online reviews before selecting a contractor.
